The Bird is a New York style bar and steakhouse, serving undoubtedly Berlin's best steaks and burgers as well as some other stuff. Sauces, dressings, everything is made fresh daily from scratch. The only cans here are the cans of 'whoop ass' which are opened when someone starts messing. If you arrive between 6-8pm, you should take advantage of our Angry Hour Special, buy one beer get one free, buy one get one house shot and Napalm wings for 25 cents! You must be at the bar in order to get this hook up though.
