In the center of Sharjah's Al Sajja Industrial District, one of the Xtreme Group of Companies' key divisions is AK Prefab. We specialise in developing unique, high-quality prefabricated solutions that are specifically adapted to the requirements of our clients.

Since every project is different, we at AK Prefab provide a wide range of design, manufacture, and construction services to make custom units that satisfy your needs. We have the knowledge and tools necessary to realize your vision, from site offices and staff housing to security guard rooms, restrooms, marketing kiosks, toilet units, GRP water tanks, GRP septic tanks, and GRP panel tanks.

Our team of skilled experts uses cutting-edge technology and materials to produce products of unmatched quality and durability in each project we undertake.

Our goal is to ensure your complete satisfaction and make the entire process as smooth and hassle-free as possible.

Choose AK Prefab for your next project, and experience the difference our expertise, quality, and commitment can make. Ak Prefab is renowned for security guard room construction in UAE.
