Thorpe Lea Dental is a dentist in Staines, and has been providing dental treatments to families and business people for over twenty years. Our professional healthcare staff strive to provide you with the best in dental care, serving patients in the Staines, Egham, Virginia Water, Sunbury, Middlesex, and Surrey areas.

We offer a complete range of dental treatments including general dentistry, cosmetic dentistry, implants, various teeth straightening options, and more. Our caring and friendly staff have the training and equipment to help nervous patients feel comfortable and at ease. We also offer dental care for children’s and emergency appointments.

Our key staff, Principal Dentist Dr Colin Houston founded the Practice in 1997. He has a specific interest in adult braces and dental implants. Dr James Gartshore has a particular passion for aesthetic dentistry. He can help achieve the smile appearance you always wanted.

Our patients regularly commend the warm and friendly atmosphere of our practice, the professionalism and excellent results we strive to achieve.
