Throughout our extensive network of branch offices, the primary business of Tower Loan is consumer installment lending. Each branch has at least one manager and numerous customer service representatives and manager trainees, depending on the number of customers in that branch. Each member of the staff is here to serve and help every customer in a professional manner that is not intimidating at all. Tower Loan also offers our customers sales financing and automobile financing. Currently, the more than 700 Tower Loan team members serve over 200,000 customers. We look forward to serving you. If you are interested in applying for a loan from Tower, please complete our online application.
