Cuts on Lime Barbershop is a barber shop in Lexington, KY, where steady skill and quiet care guide every service. We cut hair, shape beards, and offer clean shaves in a space that feels calm and orderly. People who type barber shop near me want a chair they can trust, and we work to be that chair. We listen first, we map a plan that fits your hair and routine, and we follow through with patient hands. Our aim is simple. We want you to leave ready for your day with a style that holds.
