Brooklyn GYN Place is a fully licensed facility performing the full range of OB/GYN procedures. Patients who wish to have options for pregnancy issues may do so following an ultrasound evaluation. The physicians affiliated with Brooklyn GYN Place are Board Certified OB/GYN's affiliated with New York Methodist Hospital. Patients electing to have a surgical procedure may do so either awake or asleep. With over 20 years of experience, all procedures and exams are performed in a safe and comfortable setting.

Patients may also receive follow up GYN care with our physicians at Brooklyn GYN Place. Patients may elect to have their tubes tied subsequently via the new Essure procedure all of which can be done at Brooklyn GYN Place. Furthermore, patients who desire to have uterine fibroid management, surgical intervention for fibroids i.e. myomectomy/hysterectomy, routine pap smears, sonograms and STD testing may receive the highest standard of medical care at Brooklyn GYN Place. In addition, the HPV vaccine is now available.

Choose the top gynecology center in Brooklyn with multiple locations. Serving in Brooklyn Heights, Red Hook, Park Slope and Bedford-Stuyvesant. Cash/credit card, and most major insurances are accepted.
Please call to speak with our gyn doctors or to make an appointment.
