Wimbledon Dental Wellness is a private dentist in Wimbledon committed to offering a friendly environment and treatments through cutting-edge technology.

Dr Pooja Pillay leads a team of highly skilled cosmetic dentists who are supported by a fantastic team of dental nurses and hygienists. Dr Pooja Pillay and her team have created a friendly and relaxing environment in which you may feel completely at ease.

They cover a combination of dentistry such as cosmetic, general, advanced and facial rejuvenation procedures, allowing them to address a wide range of dental & facial aesthetic issues.

Treatments offered at Wimbledon Dental Wellness include Botox and Fillers, Acupuncture, Six Month Smiles, Hygiene, Bridge, Crown, Mercury Free Fillings, Implants, Invisalign, Root Canal, Gum Disease, Oral Surgery, Children Dental Care, Inman Aligner, and Teeth Whitening.

Any general dental disorders, as well as any periodontal (gum) disease, can be treated here. Cosmetic procedures are well-served, and restorations and implant can be done in a short period of time.

In case of emergencies, call us to book an urgent appointment with our emergency dentist in Wimbledon.

We look forward to seeing you at Wimbledon Dental Wellness.
