At Mixt Academy, every student gets a qualified tutor, a flexible plan, and customised lessons that actually fit their schedule. Whether your child is preparing for IGCSE, GCSE, or A-Levels, our certified tutors focus on closing knowledge gaps, building confidence, and delivering real grade improvements.
Our tutors are fully aligned with Pearson Edexcel, AQA, OCR, IB, and WJEC curricula, so your child is always working towards the right exam goals. With flexible scheduling and one-on-one sessions, learning fits around your family’s life, not the other way around.
