Garden City Painters provides professional residential and commercial painting services across Christchurch and the wider Canterbury region. Our services include interior painting, exterior painting, roof painting, commercial painting and plastering. We work with homeowners, builders, property managers and businesses on everything from single-room refreshes and full house repaints to commercial properties, new builds and roof painting projects. Our team focuses on careful preparation, reliable communication and a professional finish from the initial quote through to completion. Customer satisfaction is guaranteed, and every project is handled with the same attention to detail. Contact Garden City Painters for a free, no-obligation painting or plastering quote in Christchurch.
