Convenience & transparency are the most common concerns while pledging goods to those in need. HelpAreUs is an online store for you to purchase, deliver & distribute everyday essential items to the deserving & needy at any place of your choice. For your peace of mind, we offer 100% tracking, free delivery & distribution of pictures. It's simple: At HelpAreUs.com, you select the category & product of your choice, complete the payment process & give delivery or distribution instructions. We then fulfill your order and share tracking & delivery information with pictures & videos. From Food to Education, there are several categories to choose from. Be it cooked Daig, ration boxes, Sadqa goat or meat, books or clothes, we have it all. For delivery & distribution, you can choose any hospital, orphanage, madrassa or even your own home etc. We have partnered with multiple vendors and organizations to offer high quality everyday products at low prices and have also established a delivery & distribution network. For any questions, please refer to our FAQs section or contact us through customer support All orders are fulfilled with 100% free delivery, tracking services & guaranteed satisfaction.
