Every “Body” is unique and different. It isn’t one size fits all. We believe in one on one, personal care. Our expectation is that every patient receives a comprehensive exam and the findings from that exam are used to create a customized treatment program to meet their specific needs.

Our Services:

1. Active Release Technique (ART)
2. Deep Relaxation
3. Sports Massage
4. StretchFix
5. Therapeutic Massage
6. Therapeutic Massage – Active Cupping

If you want to experience the incredible health benefits of massage, but going to an over-the-top ‘fluff-only’ day spa isn’t for you, Rx Massage is your perfect answer to relaxation and wellness.
