Who Are the Pro Drain Techs? PRO DRAIN is a company that prides its self on safe, fast, efficient, drain scoping, drain cleaning, pipe locating, and CIPP Liner service. Our staff has the experience, latest diagnostics tools to investigate and select the right tool for the job. PRO DRAIN personnel are reliable, honest, trust worthy, knowledgeable and committed to your 100% satisfaction. If you are not satisfied then we are not satisfied and will do whatever is reasonably possible to satisfy our customers. We understand that a clogged sink, clogged toilet, clogged drain, frozen pipe, burst pipe, or collapsed drain can cause loss productivity, damage to property, inconveniences, which translate into frustration, repair costs and lost revenue.
