Vitruvian Italian Physiotherapy Center is an exclusive center that focuses on healing physical pain an

d conditions that impair our body and our quality of life.

The Vitruvian Man is a drawing made by the Italian polymath Leonardo da Vinci in around 1490, the greatest period of development in Italy, within the field of art, science and medicine. Leonardo da Vinci’s drawing of a male figure perfectly inscribed in a circle and square, known as the “Vitruvian Man”, beloved for its beauty and symbolic power, illustrates what he believed to be a divine connection between the human form and the universe.
