At Castleguard, we believe the service we provide is unparalleled. Our integrity, professionalism, market knowledge and above all, hard work, has lead to us becoming a highly trusted and reliable homebuilder.

Jonathan Hooker and Michael Newson boast over 60 years of property experience in the local market and head up a team of dedicated professionals with a huge pool of knowledge in the building and construction industry. Over the years, Castleguard has built up strong relationships with the London Boroughs, housing associations, auctioneers, estate agents and private landlords.
