Smart Sync Technical & Repairing Services LLC is a reliable provider of professional maintenance and technical solutions in Dubai, UAE, serving both residential and commercial clients. Founded in 2026, the company delivers a wide range of services, including civil works, aluminium and glass installations, kitchen renovations, property maintenance, and fit-out solutions.

Backed by a team of experienced engineers and skilled technicians, Amanz specializes in building maintenance, MEP services, home and office renovations, wardrobe installations, glass partitions, aluminium doors and windows, and general repair works. Every project is completed with a focus on quality, durability, efficiency, and cost effectiveness.

With 24/7 service availability, timely project execution, and a commitment to customer satisfaction, Amanz Technical Services LLC has built a reputation for delivering dependable workmanship and practical solutions. Whether you require a complete renovation, office fit-out, or ongoing maintenance support, Amanz is your trusted partner for comprehensive technical services across Dubai.
