The multi award winning 360istanbul is set in a penthouse perched on a 19th century apartment building overlooking the old embassy row in Beyoglu. It commands a 360 breathe taking landscape view of Istanbul all the way from the up close steeple of St Antoine’s Church and across the Bosphorus strait to the Hagia Sophia Mosque and out to the Sea of Marmara. 360 is open for lunch and dinner, offering a twist on the modern Turkish meze fused with international cuisine and an exclusive wine selection to compliment it. 360 turns into Club360 on the weekends so come enjoy your fresh elixir while listening to our talented Djs and vocalists with live dancers and performances. 360istanbul also endocrine’s the 360 concept of dining experience.
