Drayton House Dental Practice is a private dentist in Elstree & Borehamwood offering high-quality, affordable dental care in a welcoming and friendly environment. Conveniently located near transport links and serving surrounding areas, the clinic is also a popular choice for those seeking a reliable Dentist in Borehamwood.

Established in the early 1980s, the practice continues its legacy under the leadership of Principal Dentists Ria Bella Patel and Khush Shah. Patients benefit from a calm, unhurried atmosphere where comfort and personalised care are always prioritised. From the moment you arrive, the bright and airy surroundings help you feel relaxed and at ease.

The team is committed to delivering excellence across preventative, restorative, and cosmetic dentistry. Whether you require routine care with a skilled dental hygienist, or advanced treatments such as dental implants, dental bridges, or support from an emergency dentist, you can expect attentive and transparent care.

As an experienced cosmetic dentist, Drayton House Dental Practice offers a full range of smile-enhancing treatments, including teeth whitening, composite bonding, and bespoke dental veneers. Every treatment plan is tailored to your individual needs, with clear guidance to help you make informed decisions about your oral health.

With a strong focus on patient satisfaction, the team listens carefully to your concerns and provides expert advice to maintain long-term dental health. At Drayton House Dental Practice, your smile is in safe and caring hands.
