Rózana is a cosy, elegant, yet unpretentious place known for its choice of delicate and light meals from the traditional Polish cuisine. The restaurant is famous for its freshly-made noodles and traditional Polish dumplings (pierogi, kopytka, kolduny). Fresh flowers, embroidered tablecloths, soft lights and unobtrusive piano music create a very special atmosphere. The magic garden, where you can hear birdsongs, the murmur of fountain water, and the sound of guitar, adds to the exceptional character of this place. After the sunset, soothing candle lights and romantic torch lights deepen the inimitable atmosphere of this place.
