Kazakh ethnic cuisine restaurant “Gakku” is an ode to love for own nation, its traditional and culture. Our restaurant is the embodiment of Kazakh world view combinig the contemporaneity and the ancestor’s traditions. Nothing is excessive and nothing is missing – everything around should be beautiful and should delight one’s eyes – this is our philosophy. A great collection of antiquarian jewelry takes you back over the centuries and allows you to feel the involvement in the history and in the great legacy of Turkic people.
