Amici del Mondo – World Friends Onlus is an International NGO (Non-Governmental Organization) recognized by the Italian Ministry of Foreign Affairs. In 2004, it has been registered by the NGO Board in Kenya, where most of its programmes are implemented. The aim of the organization is to promote fundamental human rights, particularly health and education, to contribute overcoming social, cultural and economic injustices as well as technical gaps at an international level, by promoting co-operation among peoples.
