Children of Peace International (COPI) was founded in 1993. Our primary objective was to provide aid to state-operated orphanages in all of Vietnam. We began giving support at Tam Binh Orphanage in Ho Chi Minh City with Sister Hai and Sister Tan’s children. This orphanage is also known as Good Shepherd Orphanage after the namesake of our very first sponsor, Good Shepherd Lutheran Church in Sandy, Utah. Since that time, we have expanded our mission to support children in Phu Tho Province in 1994, Ho Chi Minh City in 1993, Khanh Hoa in 1996, Hoa Binh in 1996, Binh Duong in 2002, Quang Ninh in 2002, Kim Doi, Hue in 2003, Phu Yen in 2004 and Vinh Long in 2007. Currently, COPI continues to provide support in each of these provinces.
