GiveIndia is a donation platform that allows you to support a cause of your choice from about 200 NGOs that have been scrutinised for transparency & credibility. We do not raise funds for ourselves.We help you donate to these NGOs. We tell you exactly where your money went and also give you proof of it through a feedback report. (except in the case of donations through an iGive page) We ensure that at least 90% of your contribution reaches the organization you support (as against the average of 60% for the NGO sector).
