The One Foundation (Chinese: 壹基金), full title Shenzhen One Foundation (Chinese: 深圳壹基金), was registered on December 3, 2010, as an independent public fundraising foundation in China. One Foundation strives to provide a professional and transparent public service platform according to the vision of "It Starts with One" (Chinese: 从壹开始). One Foundation's strategy is for this one platform to focus on three areas, including disaster relief, children's welfare and philanthropy development.
