The Sawiris Foundation was founded on the belief that development is only sustainable when its beneficiaries are equal partners in the process. We aspire to be a recognized pioneer in the provision of innovative and sustainable development initiatives, promoting increased empowerment of, and participation by, the people of Egypt. Our mission is to contribute to Egypt’s development, create sustainable job opportunities, and empower citizens to build productive lives that realize their full potential. We support initiatives that encourage job creation through training, education and access to microcredit. We also enhance efforts to improve health and further the endeavors of local communities to improve infrastructure and gain access to basic services — two important prerequisites for higher productivity and the increased empowerment of citizens.
