Breakthrough and Milestones Productions International (BMPI) Inc. is one of the country’s premiere multimedia companies providing solutions for radio, motion picture, print, publications, Internet broadcast, audio recording and photography since 2004. The Company’s principal activities include TV production and media network management, events management, advertising, and marketing. Key to BMPI’s success is the way it deals with its customers – establishing a strong rapport with them through quality and competitive services. For its part, BMPI relentlessly beef up its technical and creative prowess through constant collaboration with clients.
