This Italian ice cream of velvety texture and angelic taste will immediately invoke the feeling of happiness and satisfaction in you. Every day we breathe into Angelato ice cream its enchanting smell and taste in the traditional Italian way and thanks to the carefully selected and manually processed ingredients from all around the world this wonderful ice cream will seduce you and tease you again and again. We will gladly uncover the secret of the family recipe to you. It is simple: it involves quality, professionalism and imagination but mainly love. We still haven’t told you one important ingredient, and that is happiness. This we get from you when we see that our ice cream makes you smile.
