Restaurant & Lounge bar Villa Ruza is located on the island of Kolocep, one of the three Elaphite Islands west of Dubrovnik. Built in 1930 by a rich merchant from Dubrovnik and dedicated as a symbol of love to his wife, the Villa rises on a seaside rock in a deep shadow of pine trees at the very entrance to the Donje Celo bay. This unique haven of peace and serenity is certainly one of the most romantic places on the Adriatic Coast.
