"We represent services that influence key business indicators and increase company cost". Business Kernel provides services on labor market of Russia and CIS since 2007. During this time we successfully implemented projects with our partners in staff recruitment, outsourcing of personnel, executive search, salary calculation. For some of our clients we successfully helped to realize projects on start up of production, having selected all personnel from line level to Top managers: TIAutomotive, Glovis, Elopak, Antolin, WikaMera, Novartis... Consultants of our Agency are professionals of high level. All of them use technique "interview on competences" while interviewing candidates that allows to select the right candidates for vacancies. Our clients are: Hyundai, Nissan, Ford, Toyota, Nokian Tyres, Caterpillar, Schmitz Cargobull, Glovis, Mobis Parts, Calsonic Kansei, Antolin, Wika Mera, Philip Morris, JTI, BAT, Fazer, Ferrero, Chupa Chups, KONE Lifts, International Paper, Crowne Plaza, Melon Fashion, YIT, TPV, Sony, Elopak, Biocad, Novartis, Lenta, Evroset and many others.
