For over 20 year, Apex Marine has redefined the expectations and perceptions of boating…with the compact pontoon boat. Our goal is to help you have more fun on the water and to make boat ownership easier and more enjoyable by recreating recreation. As the experts on compact pontoons, we design and manufacture models that provide the full comfort and amenities of larger boats but in a more manageable size. Whether you’re fishing, cruising, tubing, or just enjoying the sun – life on the water is more fun with Apex.
