Aquascan is a premier luxury yacht tender business with over 20 years of experience in the marine industry. Our boats are 100% hand built in the U.S.A. with the highest quality materials available. Our tenders have been featured in movies such as Bad Boys II and Casino Royale as well as being the production boats for Disney’s Pirates of the Caribbean Trilogy. All of our boats are built to ensure long lasting durability while meeting even the most demanding requests and restrictive of storage spaces. With a myriad of customizable choices, including fabric colors and hardware, our tenders can become the perfect compliment to even the most modern of yacht designs. Our selection of Rigid Inflatable Boats reach from 10 foot jet tenders to 40+ foot commercial inflatables. For more information on any of our tenders, fenders and boat services, please feel free to contact us.
