Carpenters Motors is the automotive business arm of Carpenters Fiji Limited and is the nation’s distribution and retail leader in the commercial, premium and luxury automotive sectors nationwide.

Operating since the early 1930’s, Carpenters Motors was the first importer of automobiles into Fiji. As the market leader in Fiji, the group offers a wide range of automotive products from sales and services of new vehicles to used vehicles and rentals, fabrications, smash repair, light & heavy mechanical repairs and more, Carpenters Motors has become the preferred and most trusted automotive provider in Fiji.

Carpenters Motors operates across every link of the post-factory automotive value chain for our brand partners providing a highly efficient, customer focused route to market that delivers shared rewards at every stage.
