Viva Orlando, founded in 2014 by Milena Valle, was started because Milena had a unique understanding of the vacation investment market. Viva Orlando is made up of a trusted team of real estate professionals that serve clients who want to invest in the booming Orlando real estate market. Our team specializes in vacation home communities and the development of real estate portfolios for international and domestic investors.

Viva Orlando strives to become a trusted resource and partner from the first inquiry to the completion of the sale and beyond.
