Western Pacific Storage Solutions incorporated in 1985, is a leading manufacturer and supplier of industrial shelving and work platforms (mezzanines). For over 30 years we have been manufacturing and supplying steel shelves, Rivetier boltless shelves and work platforms to a wide range of industries. We are dedicated to meeting the ever-growing needs and demands of the leading innovators in global supply chain management with the highest level of products and services possible. At WPSS we have experienced excellent growth that has established the company as a trusted supplier and advisor to some of the world’s largest corporations today. The company believes in maintaining top quality standards, levels of productivity and continuous improvement in its products. Our team is fully capable of meeting the most rigorous quality standards and has the highest level of custom design & engineering support available.
