If you have always dreamed about being a part of the fashion world, Fedisa is your calling. Having a high-powered career in the fashion industry with exciting international projects among the fashion connoisseurs is possible with our courses. Whether you want a diploma in fashion, a BA degree, BA honour or simply join a short course to learn the know-hows of the fashion industry, we have the provision for all of your preferences. We are registered with the Department of Higher Education and Training as a private higher education institution under the Higher Education Act, 1997, so the responsibility of making your dreams come true in the most authentic way is ours. Contact us for more information.
