The acquisition was founded in 1974 and specializes in the restoration of original antique fireplaces. Acquisions Fireplace Company exhibits over 200 fires and fireplaces in London. Acquisitions are actively looking to export the English look worldwide. They also supply their period fireplace continuations to all four corners of the world, with 400 outlets in the UK alone and through partnerships with several foundries. Gas, coal and log effect fires are available here. Browse our range of beautifully restored Edwardian Fireplaces. We have one of the largest selections of Edwardian Fireplaces in London.

Catering for every taste and setting, we are also the leading manufacturer of flueless wall-mounted fires with our range of contemporary X-FIRES, and produce a beautiful collection of British-made multi-fuel and gas stoves. What's more, we are able to deliver anywhere in the world through our network of stockists, all of whom offer a professional fitting service.

The acquisition will provide a high quality fireplace installation in London. We have wall hole styles, multi-fuel and wood stoves, traditional gas and solid fuel fireplaces, modern and modern gas fireplaces, flueless gas appliances and all related works of all types and styles. You can install a fireplace. We are proud to run a team of professional fireplace fitters and will not be disappointed with the service we receive.
