Benchley's Amish Furniture and Gifts is the largest Amish furniture store in Michigan. We offer a huge selection of furniture for every room in your home in an amazing array of styles. We carefully screen our furniture craftsmen to make sure we carry only the highest quality Amish built furniture at the best possible prices. We then pass that value on to you. Our furniture design consultants can help you select from a wide range of styles, wood species, finishes, and more. Stop into our Clare, MI showroom today and see all of the possibilities with Amish built, American made furniture.
