Company logo

Our products are made from genuine leather and PU (leather look) materials. The stringent quality control of our product guarantees you the best every time you buy. Fashion Concepts is an importing and vibrant wholesale company based in Sydney. We supply top quality women’s fashion handbags, shoes, apparel and accessories throughout Australia. Our aim is to stay on top of the latest fashion trends and seasons in order to provide our customer with the best that the fashion world has to offer. We stand beside the product we sell. We have established ourselves as a reputed company with new clothes and accessories hitting every woman wardrobe.
