Over the last 25 years, Ellesmere Linen Hire has built its business on excellent service, quality materials and competitive pricing.

Still a family business run by William Coombs and his son Neil Coombs, we pride ourselves on the good relations we have with our clients and our friendly and personal service – no matter who we are dealing with.

We work with all sizes of business throughout the North East of England, from small family enterprises to larger multi-location businesses and from Hexham, Northumberland down to Thirsk, North Yorkshire and across the North east and Tyne & Wear.
