Emergency Dentist Weybridge is a specialised clinic providing assistance in your time of dental emergencies. Our practice at Oatlands Dental Lounge can offer a same-day appointment, however next day appointments are occasionally necessary.

Is dental pain stopping you from sleeping? Having a severe toothache and need immediate relief? Our compassionate emergency dentist in Esher and Weybridge can help you now to relieve your discomfort. We offer emergency care like toothache, root canal treatment, fractured tooth or crown, lost fillings, broken dentures or implants, etc.

We cover a wide variety of sudden dental issues in the heart of Weybridge. At Emergency Dentist Weybridge, we understand that a dental emergency is unplanned and that is why our dentists at Weybridge clinic ensures emergency patients are seen on the same day.

Our dental team are hand-picked for their gentle and specialised nature and are here to help you overcome any dental fear or problems that may have stopped you from attending before.

If you believe you have dental emergencies in Weybridge and visit the practice, please call Oatlands Dental Lounge on 01932 858 686 or book online to make an appointment with one of our experienced dental professionals.
