Established in 1998, Westbourne Grove Dental is a forward thinking dental clinic in Notting Hill, London. The Principal Dentist, Dr Sonia Ali’s main focus is restoring smiles and facial rejuvenation through a blend of facial aesthetics and cosmetic dental treatments.

Equipped with cutting-edge technologies, the practice offers genetal and advanced treatments ranging from dental hygiene and preventive dentistry to teeth whitening, implants and full smile makeovers.

Alongside dental procedures, Dr Sonia Ali is also qualified to carry out non-surgical anti-ageing treatments such as Botox and Dermal Fillers to plump the face, lips and reduce wrinkles and facial lines.

The team at Westbourne Grove Dental consists of a group of experienced Dentists, Implantologists, Hygienists, Orthodontists, Endodontists and Nurses to offer you the support, treatment and advice you need.

Experience a pleasant and relaxed atmosphere at Westbourne Grove Dental at Pembridge Villas, Notting Hill.
