Welcome to Devoted Guardians! Are your aging parents no longer able to care for themselves? Do you have a developmentally disabled family member who needs help with day-to-day tasks? If so, you may be looking for alternatives to placing your loved one in a nursing home or assisted living facility. Devoted Guardians provides the in-home supportive care your loved one needs to stay independent at home. Most people suffering from an illness or disability or recovering from a fall or surgery want to remain in their own homes, where they feel comfortable and safe. By providing assistance with grooming, personal hygiene, mobility, and day-to-day tasks such as meal preparation, housekeeping, and medication reminders, Devoted Guardians provides an affordable alternative to placing your loved one in a nursing home or assisted living facility. Give us a call today for more information or to tour our facility!
