Welcome to Oxford House Dental Practice!
Oxford House has been a pioneer in quality dentistry since it was established in 1954. With its large, private car park and the familiar exterior, it is well-known throughout Milton Keynes.
The success of the practice has been as a direct result of what is inside! We are proud of our ethos of providing the perfect blend of a traditional, relaxed atmosphere in conjunction with the most up-to-date technology.

We care about the health and well-being of our patients and offer a full range of preventative and restorative dental treatments to help you maintain healthy teeth and gums.

The enduring foundation of Oxford House can be attributed to our amazing team – from the warm greeting you will receive at the reception desk, to the friendly attitude of our dental surgeons, we are always there to help. We are confident you will always see a team member whose face you know, and who knows you.

Whether you are a current patient, a prospective patient, or even a referring Dentist, please do not hesitate to contact us either by phone, email or social media. We are a caring, family practice that has justly gained our reputation by taking pride in catering for our patient's needs, whether simple or bespoke.
