A Clean House Washing has been in business for over 35 years, servicing clients in the Ipswich and Greater Brisbane area. We specialize in providing personal and professional services for external house washing and path cleaning and general pressure cleaning services in Brisbane, Queensland.

Others come and go, you can trust the experience and professionalism of A Clean House Washing. No work is sub-contracted out or passed on to inexperienced or franchised operators.

We not only have the knowledge to guarantee the cleanest results possible, we also have the experience to avoid issues that customers are often rightfully concerned with such as dead plants, damage to property and trampled landscaping.
