UP Home Buyers is a real estate investment business based out of Hampton Roads. We’re a local, family-owned business with a reputation for helping homeowners looking to sell their property quickly and easily. Whether you’re in the middle of a foreclosure or bankruptcy or need to move after a personal crisis, we can help!

We buy houses in Hampton Roads and the surrounding areas for cash. It doesn’t matter if the house is outdated or desperately needs repairs. The house can even be filled to the brim with junk. We buy homes irrespective of their condition and location.

As one of the best cash home buyers in Hampton Roads, we have helped hundreds of homeowners get out of difficult situations. We can close in seven days or less and settle immediately after closing. The best thing about dealing with us is you don’t lift a finger throughout the deal. We’ll take care of the entire process.

Do you need to sell a house fast in Hampton Roads? Call us for a free, no-obligation offer. No fees or commissions are involved!
