Ray at Pestell Dunmow is the best estate agent I’ve come across. Professional, prompt and personal. I can honestly say Ray is a true gentleman and Pestell & Co are the best estate agents, not only for buying and selling, but for rentals too.

I wanted to thank Pestell for your exceptional service, you have exceeded our expectations, working tirelessly to drive the sale of both of our properties in a timely manner. Achieving the best possible result enabling us to buy our dream home in record time! You demonstrated excellent negotiation skills on our behalf and showed a tremendous amount of patience during what I can only describe as an emotional roller coaster!! My partner and I do believe we wouldn't have been able to purchase our new home without Pestell's driving force.
