We know what it takes to deliver success for our clients. It’s really quite simple: it’s a combination of what we do and how we do it and we constantly strive to do things better and to go the extra mile for our clients. We strive to exceed our clients' expectations.

Dexters offers a comprehensive range of property services. We are exceptionally strong in residential sales and lettings across London; not only in new homes, but also in corporate and international lettings and relocation.

We understand the needs of both occupiers and investors and have in-house experts who deal with every aspect of the London property market. We have 12 offices in Prime Central London handling enquries from local, national and overseas buyers and tenants.

Dexters people make us what we are – professional partners for our clients. We invest in training and long-term career development and more than 90% of our Managers come from our own training programme.

We are proud to be regulated by the Royal Institution of Chartered Surveyors (RICS) and we uphold their worldwide reputation for integrity and professionalism.
