Aurora Plumbing and Electric Supply has been Seattle's neighborhood plumbing store since 1960. Neighbor helping neighbor - it may sound old-fashioned, but we still believe in this way of doing business. We pride ourselves on both modern ideas and simple solutions. With more than 7,000 items in stock and more than 150 years of combined experience, you'll quickly understand why both Pros and DIYers make Aurora Plumbing their first stop. We'll help you find the right solution at the right price. You have our promise that no one will work harder to meet your needs! Regardless of whether you need plumbing services, or you are a plumber looking for honest prices on plumbing products—you can trust us!
