ToothHQ is a certified place to get teeth & gum pampering done. Dr. Kumar T Vadivel is a board certified Periodontal Surgeon, who has extensive years of experience in dealing with oral health and other related problems.

The place deals with many acute and chronic dental issues like Periodontitis, Gum Grafting, Bone Grafting, Tooth Extraction, Teeth Whitening, etc. The patients get a professional environment to resolve their oral health issues. Dr. Vadivel is an innate artist in doing his work. He adds professionalism and a polite behaviour towards his work and clients which makes him the most admired dentists in Texas and the USA.
