Metro Milwaukee Home Buyer is a local family owned business. We buy houses in Milwaukee in ‘as is condition’ and promise to close the sale in 2 weeks (sometimes even less). You may be looking to sell your house to avoid a foreclosure, or to unlock equity from probate property - your motive does not matter. We buy probate houses in Milwaukee anywhere in the Metro area, including Glendale, Greenfield, Wauwatosa, West Allis, and Brown Deer.

We aren’t real estate agents, but investors. You don’t have to worry about long drawn out bank loan approvals. We pay in cash and take care of everything. You don’t have to pay for repairs, or lift a finger to clean the house. And you don’t have to deal with junk haulers. You can really leave the house AS IS - just take the things to need and leave the rest to us to clean.

The process is really simple - call us and we’ll come over to take a look at the house. We’ll make a fair priced offer. If you agree, we’ll close the deal in 2 weeks.

Can I sell my house fast in Milwaukee - call us to learn more…
