IM Buildcon is a popular brand name amongst the finest known for innovation, lucidity and excellence amongst a ton of other adjectives that any real estate company in Mumbai must be associated with. The company has a high benchmark of erecting excellent residential & commercial construction projects spread across the prime areas in Mumbai, Palghar & Chennai, delivering many important landmarks in the cities.

Since its establishment in 2011, IM Buildcon and team has inexorably worked towards constructing apartments in Mumbai that meet high-class standards. It’s latest luxurious project i.e Applaud 38, is one of the high-level residential projects in Mumbai offering 1 BHK & 2 BHK apartments in Goregaon for those looking to buy or invest in palatial living spaces at reasonable prices.
